Report 05.359

Utility Services Committee

Minute extract from meeting held on 20 September 2005

Water Source Development Strategy

Resolved

That the Committee

- (1) Receive the report.*
- (2) Note its contents.*
- (3) Issue a media release, and prepare a long-term communications strategy.*

Matters Raised by Councillors

Councillor Aitken requested that the long-term communications strategy take into account a multi year education strategy with respect to water demand and supply management.
