

That the Committee

Exclude the public from the following part of the proceedings of this meeting namely:

Kapiti Railway Stations Implementation Programme

The general subject of each matter to be considered while the public is excluded, the reasons for passing this resolution in relation to each matter and the specific grounds under section 48(1) of the Local Government Official Information and Meetings Act 1987 for the passing of this resolution are as follows:

<i>General subject of each matter to be considered:</i>	<i>Reason for passing this resolution in relation to each</i>	<i>Ground under section 48(1) for the passing of this resolution</i>
<i>Kapiti Railway Stations Implementation Programme</i>	<i>The information contained in this report relates to the risks and opportunities associated with the development of Kapiti railway stations and outlines a proposed implementation plan.</i>	<i>That the public conduct of the whole or relevant part of the proceedings of the meeting would likely result in the disclosure of information for which good reason for withholding would exist under section 7(2)(h) of the Local Government Official Information and Meetings Act 1987 (i.e. to enable Greater Wellington to carry out, without prejudice or disadvantage, commercial activities).</i>
	<i>Having this part of the meeting open to the public would disadvantage the Council's commercial activities as it would reveal the Council's rail development strategies in the Kapiti area.</i>	
	<i>Greater Wellington has not been able to identify a public interest favouring disclosure of the particular information above in public proceedings of the meeting that would override the identified prejudice.</i>	

This resolution is made in reliance on section 48(1) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by section 6 or section 7 of that Act which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as specified above.
