General Manager's report

1. Purpose

To inform the Committee about activities that promoted the sustainable management of the region's natural and physical resource by overseeing the Council's regulatory responsibilities in relation to resource management and harbour navigation and safety.

2. Managers' reports

Managers' reports from Environmental Policy, Environmental Monitoring and Investigations, Environmental Regulation and Harbours Departments follow as **Attachment 1**.

3. Staff

Jonathan Streat commenced with Greater Wellington on 28 June as Manager, Environmental Policy, taking over from Nicola Shorten.

Jonathan has come from the Auckland Regional Council where he was the Manager of the Land and Water Policy area. In this role he dealt with issues such as managing submissions on national policy, and resolving appeals on the Proposed Auckland Regional Plan in areas such as air, land and water, as well as sediment control and farm dairy discharges.

Jonathan has also worked at the Auckland City Council as the Programme Manager in the Volcanic Landscapes Team and has worked for Government and non-government agencies in New South Wales.

4. Recommendations

That the Committee:

1. ***Receives the report.***
2. ***Notes the content of the report.***
