## Report on the Wellington Regional Strategy Committee meeting 21 October 2014

### 1. Purpose

To inform the Council about the meeting of the Wellington Regional Strategy Committee that took place on 21 October 2014.

### 2. Report

#### 2.1 Wellington Region Genuine Progress Index (WR-GPI) 2014

The Committee discussed the draft 2014 WR-GPI report which provides results for the 2001 to 2013 time series and agreed to the release of the report by 30 October 2014.

A communications plan is currently being developed to promote the GPI framework and the key themes identified by the GPI Working Group. The plan will be designed to ensure communications relating to the GPI are consistent across the respective organisations involved with the WR-GPI. The GPI Working Group will also be investigating how they can strengthen links with community organisations which are already working on programmes related to various GPI indicators.

The Committee noted that the GPI Working Group will be conducting a review of the WR-GPI framework and indicators between November 2014 and February 2015 and that the results of the review process will be presented to the Committee in 2015.

### 3. The decision-making process and significance
